

LINKEDIN SUCCESS

The Daily LinkedIn Routine You Should Be Following

Accept LinkedIn Invitations From Ideal Connections

LinkedIn invitations are how to build your network, one connection at a time.

Monitor Your Newsfeed

Keep a watchful eye on your LinkedIn newsfeed and like, comment on, and share what you find helpful with your network. This is how you prove to LinkedIn that you're still alive. 😊

Say Hello

Use welcome messages to initiate conversations with new connections. To make this easy, use LinkedIn's "Start With This Note" feature.

Track Notifications

Monitor your notifications and say thank you to those who have liked, commented on, and shared your content.

Nurture Conversations

Identify promising LinkedIn conversations that present the most potential. Use "their language" and focus on meaningful and useful conversation topics.

Who's Viewed Your Profile

Reviewing the "who's viewed your profile" feature in LinkedIn can be fruitful for finding prime connections and job opportunities..

Send connection invites to ~5 HR managers and recruiters daily

Keep your LinkedIn network growing by sending daily invitations to connect. Being consistent with your efforts can grow your network more consistently.

Post Updates Regularly

Share articles, links, and other content with your network.

Stretch Your Writing Muscles

Publish at least one new piece of content on LinkedIn each week.
